My dear Mr Fletcher, -

These names with
the dates I was able to
get from the Shakers,
but that they were the
children of Daniel
Fletcher I have no proof
although it would seem
so from the dates and
place of birth. I am going

to find out when Daniel
Letcher's name first appears
on the town tax lists, and
that may help out.

If I understand correctly you
think that Daniel had
beside John born 25-Jan. 1770 in
Dunstable, the following sons
Joshua, James, Bailey, ~~children~~ ^{was their father} ^{4 of 7} ^{where} ^{daughters}
Susan and Jane. ⁵⁻ ^{Gibbie} ^{Edw} ^{Aldest} ^{Daniel 2}

I would like to work this
all out if it were possible

There was a Daniel Fletcher, who married
in Canterbury 7 January 1830 Margaret
Boyer, but I have no way of knowing
his father. Joshua

On page two of the earliest town
record book I find that Hannah
Fletcher wife of Leavitt Clough
died 8 January 1782.

I thought I ~~would~~ write and
then we could talk about
it better by telephone. I am
enclosing Mrs George F. Fletcher's
blank so you may see from where
I got the most of the early
information.

Thank you very much for
your help.

Very sincerely,

Josephine M. Brown

Dear Friend

We enclose notes from our Church Biographical Record for all by the name of "Fletcher", but do not know which are the children of Daniel Fletcher. If you have further records from the town you may be able to decide this question.

We have six by the name of Fletcher previous to 1800 as you will see & one of them is a Daniel.

Trusting this may be of some help to you with kind regards

Your Shaker friends,

Hart & Shepard.

Excuse haste please.
